- ◆ Time management

## PROJECTS

### ● Educational Website

Designed and developed a **WordPress-based** platform to host and share mathematics lecture videos. The website features student sign-up, organized video playlists, and downloadable resources. Integrated multiple plugins including **Elementor** for page building, **CartFlows** for optimized checkout, **FluentSMTP** for email management, **Forminator** for custom forms, **Tutor LMS** for course management, **Ninja Tables** for dynamic data display, and **WooCommerce** for eCommerce functionality. Hosted on **Hostinger** for reliable performance.
